A teacher is a learner before he/she is a teacher. The spirit of bettering oneself is what defines an educationist. In this regard, it is essential for teachers to upgrade themselves according to time, attain differential skills, and improve using practiced strategies. Getting back into gear during this covid-19 crisis, Mrs. Shagufa Afzal, Principal Kuruom Vidyalaya with teaching staff of the school attended a workshop organized on the topic “21<sup>st</sup> Century Skills” at Kuruom Vidyalaya, Dhanpatganj Sultanpur, on Friday, December 18, 2020.

The workshop was conducted by Mr. Bilal Ali, educational project manager, Macmillan Education, who guided teachers in adopting more efficient ways of teaching, planning, and strategizing their lessons and activities so as to maximize learning for students.
