

Teachers Workshop-December2022

The role of teachers in society is both significant and valuable. They are one of the main pillars of a sound and progressive society. Apart from parents, they bear the responsibility of teaching, nurturing knowledge and good values in the children. It is rightly said that 'a teacher plays a key role in shaping our future'. Based on these thoughts KuruomVidyalaya organized a one-day teacher's workshop with Dr. (Mrs.) AparnaDhirKhandelwal, Assistant Professor, School of Indic Studies, INADS USA on 1st December, 2022.

She told that each profession occupies a specific niche in society doctors heal, engineers design and bankers handle our money. Teaching, however stands out as a subsumptive entity. At a preliminary stage, teachers in still the transcendent faculties of communication, decision making and awareness of social responsibilities. Later in life, no matter which field we choose to pursue, we again turn to teachers for training. A strong information base and well developed capabilities of comprehension and analysis are critical for progress. These crucial responsibilities of inculcating knowledge, kindling inspiration and encouraging creative thought are all vested in the teacher. Keeping in mind the increasing trend of both parents working long hours, the teacher is also expected to build a strong moral character and provide emotional support.

Thus, the teacher has to build a rapport with the student and be simultaneously approachable and authoritative. His/her role encompasses that of an instructor, friend, role model and confidant.

Also, she explained how teaching profession brings self-satisfaction to the teacher who is teaching whole-heartedly to his/her students. Ultimately lead the teacher to healthy life and achievement of mental peace. This workshop guided teachers to feel confident and passionate about their profession.

Miss AnujaSinha, Director TCN Media also shared their valuable thoughts and said that teachers are the mentor of society and such types of workshops can helpful to enhance their skills.

The workshop had active participation from teachers who shared their experiences and problems with Dr.AparnaKhandelwal and she tried to solve their doubts during the session.
